Re: **Exploration of a South Carolina Competitive Procurement Program for the Competitive Procurement of Energy and Capacity from Solar and Other Renewable Energy Facilities by an Electric Utility as Allowed by South Carolina Code Section 58-41-20(E)(2) – (Docket No. 2019-365-E)**

Dear Ms. Boyd:

As you know, I and my firm represent Johnson Development Associates, Inc. ("JDA") in the subject proceeding. For your awareness, I wanted to confirm that either I or my partner Court Walsh will be in attendance for JDA at the March 9, 2021 hearing. At this time, JDA does not intend to submit direct testimony or make a presentation at the hearing. JDA, however, expressly reserves and does not waive the right to file responsive testimony to any direct testimony submitted, or the right to provide comments at the hearing based on any information presented by others.

JDA appreciates the Commission's thoughtful consideration of the subject matter and looks forward to the March 9 hearing. I will await further instructions for virtual attendance. In the meantime, do not hesitate to contact me for any reason

Very truly yours,

/s/ Weston Adams, III
